S I R:

In response to the Advisory Action dated July 20, 2005 and the Final Rejection dated March 8, 2005, Applicant files herewith an RCE to allow for entry and consideration of the Isaki et al. document submitted with Applicants' prior response of July 8, 2005.

Applicant submits that contrary to the Examiner's position, the Isaki reference indeed provides evidence regarding unexpected beneficial results by virtue of the present claimed invention in a manner not disclosed or suggested in the cited prior art references, and Applicant will update the present information by providing a more complete translation of the Isaki et al. document very shortly.

In light of the arguments of record and additional information to be provided by Applicant, reconsideration and allowance of the present application is respectfully requested.

Respectfully submitted,

Date: 08 August 2005
